

Our favourite accessories for February

LIGHT BINOCULARS

Available in 8x42, 10x42 and 10x50 formats, the Opticon Countryman binocular is for wildlife observers who need a lightweight but bright optical instrument for under £270. Full rubber armouring allows for easy grip in all weathers. It is also nitrogen-filled and waterproof to a depth of three metres. The 8x42 pair is available to win.

STRONG TABLEWARE

Corelle is the original chip-resistant glass dinnerware. It is recognised worldwide for its legendary strength and durability while remaining incredibly lightweight. Unlike ceramic plates which chip easily, Corelle tableware can withstand extremely hot temperatures without cracking.
